

SBM Offshore orders two additional Fast4Ward® hulls, bringing the construction program to a total of five hulls

December 5, 2019

SBM Offshore is pleased to announce that it has signed contracts for the construction of the Company's fourth and fifth hulls under its purchase program for Fast4Ward® new build multi-purpose hulls. The contracts were signed with Shanghai Waigaoqiao Shipbuilding and Offshore Co., Ltd. (SWS) and China Merchants Industry Holdings (CMIH). Both yards are also progressing the construction of SBM Offshore's first three hulls which are already allocated to projects.

Bruno Chabas, CEO of SBM Offshore, commented:

"We continue to have good visibility on new awards from active client engagements. This has given the Company the comfort to accelerate the program and commit to two additional Fast4Ward® hulls. The Company is currently constructing five hulls simultaneously, a fact which underscores the fundamentals of our market and SBM Offshore's competitive position. During this period of increasing demand, SBM Offshore remains disciplined and selective with respect to market opportunities."
